Who's on your list?

After Andrew met Jesus, the Bible says the very next thing he did was go and find his brother, Simon, to tell him the news that he found Christ. As believers in Jesus, the news of Who we've met should be continually upon our lips. How can we not tell someone else of the goodness of God?

Let me encourage you to create a list, starting with the people closest to you to share the good news of Jesus with. Pray for a fresh awareness of the urgency of spreading God's story of redemption.

Serve at Sherwood

During this fall there are multiple opportunities for investment into the lives of students. We have witnessed what God can do in transforming hearts from darkness to light over and over again, yet we are believing God for more. You can be on the frontlines of transformation by investing in this ministry.

The number one request is for our Sherwood family to pray intentionally for students to come to know Jesus and grow into world changers. Pray for their parents to not only support them in their spiritual journey, but join them in a deep passion for Christ. Pray for additional Sherwood members to volunteer their time to assist in reaching this generation.

If God is calling you to explore further in how to invest in Sherwood Students, please reach out to Pastor Matt matt@sherwoodrome.com

Our youngest guests need adult volunteers! You can make a huge impact through serving in our growing Sherwood Kids Ministry. Find the perfect place for you to use your gifts and talents.

The Bible says, "Let everything that has breath praise the Lord." Ps 150:6

When you arrive next Sunday, come with a heart prepared and primed to give praise to the Lord Jesus! We are so extremely blessed to have the talents of those who are musicians and vocalists as they lead us each week during our worship gathering. Would you join our pastoral staff in praying for increase of our music ministry?

Pray for the development of a broad spectrum of instrumentalists and vocal teams. Pray that God will raise up new members to join this group. If you have had experience in playing any instrument and would like to use that talent for the Lord, Pastor Allen would love to hear from you. allen@sherwoodrome.com

Let's Grow in Sunday School

The spiritual wellbeing of the believer in Christ is vastly increased when involved in Sunday School / Bible Study Groups. Through regular attendance, participants are encouraged to reach, teach, win and spiritually care for others.

Together we can grow stronger in our faith and reach a broken world with the gospel. Let's pray for a renewed spirit of learning together and leading others to the Savior.
